

I agree, and
would like to
add ...

Builder

Develops, adds to or runs with an idea.

Building on that idea, I think...

Develops, adds to or runs with an idea.

Linking to what ... said, I think ...

Builder

Develops, adds to or runs with an idea.

... talked about
... and I ...

Builder

Develops, adds to or runs with an idea.

Do the rest of you agree with ...?

Builder

Develops, adds to or runs with an idea.

And then what happened?

Builder

Develops, adds to or runs with an idea.

**Yes, I agree
with ...
because ...**

Builder

Develops, adds to or runs with an idea.

I agree with ...

Builder

Develops, adds to or runs with an idea.

I agree with ...,
but I'd like to
add ...

Builder

Develops, adds to or runs with an idea.

I disagree with
... because ...

Builder

Develops, adds to or runs with an idea.

I'd like to build
on what ...
said ...

Builder

Develops, adds to or runs with an idea.

What ... said reminded me of ...

Builder

Develops, adds to or runs with an idea.

I'd like to respond to ...

Builder

Develops, adds to or runs with an idea.

I am thinking that ...

Builder

Develops, adds to or runs with an idea.

We have the
same idea so...

Builder

Develops, adds to or runs with an idea.

**That's a good
idea. Another
idea could
be ...**

Builder

Develops, adds to or runs with an idea.

I heard you say
... I would like
to add ...

Builder

Develops, adds to or runs with an idea.

I felt/thought ...
after you said...

Builder

Develops, adds to or runs with an idea.

**This discussion
is interesting
because ...**

Builder

Develops, adds to or runs with an idea.

What you said
about ... made
me think ...

Builder

Develops, adds to or runs with an idea.

**I was wondering
about/if/why ...
What do
you think?**

Builder

Develops, adds to or runs with an idea.

**I just had a
thought.
What if ...
or maybe ...**

Builder

Develops, adds to or runs with an idea.

**I understand
what you are
saying, but ...**

Builder

Develops, adds to or runs with an idea.

Please give
us more
information.
