

What makes you think ...?

Prober

To help the speaker think more deeply about the topic

**Can you give an
example of...?**

Prober

To help the speaker think more deeply about the topic

What might someone else think of your idea?

Prober

To help the speaker think more deeply about the topic

What things did you take into account?

Prober

To help the speaker think more deeply about the topic

What would happen if...?

Prober

To help the speaker think more deeply about the topic

How did you decide...?

Prober

To help the speaker think more deeply about the topic

What's another way you could

...?

Prober

To help the speaker think more deeply about the topic

How else ...?

Prober

To help the speaker think more deeply about the topic

What else ...?

Prober

To help the speaker think more deeply about the topic

Where else ...?

Prober

To help the speaker think more deeply about the topic

Who else ...?

Prober

To help the speaker think more deeply about the topic

When else ...?

Prober

To help the speaker think more deeply about the topic

Why else ...?

Prober

To help the speaker think more deeply about the topic

How can I visualise this?

Prober

To help the speaker think more deeply about the topic

What else do you want or need to know?

Prober

To help the speaker think more deeply about the topic
